Report of Principal and School Improvement Council

Tanglewood Middle School is a Making Middle Grades Work (MMGW) school that follows a comprehensive improvement framework comprised of ten key practices designed to prepare students for college preparatory classes in high school. MMGW has been instrumental in developing a climate for growth in student achievement. This year was the first time in the history of our school that Geometry was offered as a full class in the eighth grade. Our school had the highest growth on the ESEA report card in Greenville County and received a Palmetto Silver Award from the South Carolina State Department for Closing the Achievement Gap. We are also honored to have on our faculty one of the ten finalists competing for Greenville County School District Teacher of the Year.

We continued the building of a caring, nurturing environment with our second year of Flip Flippen's proven model, Capturing Kids Hearts. As we work diligently to improve achievement, we are focusing on building positive relationships and a climate of trust. We want all of our students to reach their maximum potential while preparing for high school and higher education. We focus on Centurion PRIDE and teach not only the fundamentals of curriculum but also the components of character that ultimately develop good citizens.

Tanglewood is equipped with the best technology available today. We have the latest Promethean Boards in every classroom coupled with ActivExpressions and Activslates. Our students have access to state of the art Dell laptops in every classroom, making our school one of few that offers a 1 to 1 ratio of computers to students. Our classrooms are truly 21st Century environments. In the fall of 2014 we will be implementing a 1 to 1 ratio of Chrome Books; every student in our school will have technology at their fingertips both in and out of the classrooms.

We have a performing arts department that competes on many levels. Our band received a superior rating this year as well as received the Mr. Holland's Opus Foundation Award for new instruments. Our chorus received an excellent rating and received the Music Club of Greenville grant. Our Gateway to Technology program had a Robotics team competing for the first time this school year.

At Tanglewood Middle School...

Our mission is to collaboratively foster learning with an engaging and challenging environment that will prepare our students for high school and beyond.

Our school is committed to the students, families, and communities we serve. It takes the combined efforts of these stakeholders to make Tanglewood Middle a great school. Together we will achieve performance excellence.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	55.2
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Tanglewood Middle School has been designated as a:

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
